To The Secretary to the Government of Madras,

Law (Education) Department.

Through

Sir, The President, District Board, South Kanara.

Sir,

I have the honour to state that during 1924-25, a sum of Rs 5000 only was contributed from Taluk Board revenue towards Elementary Education Fund in lieu of Rs 9750 sanctioned in the budget estimate of year-vide-G.O.No 1088 Law (Education) dated 4th July 1924 and subsequently reduced to Rs 6,300 in G.O.No Mis 3370 L & M dated 27th November 1924 passing orders on the normal budget of this Taluk Board. The circumstances which led to the above course are explained below

2. In G.O.No Mis 1525 L & M dated 6th June 1924, the Government reduced the provision made in the general budget

budget of the Taluk Board by Rs 2300 and asked the Board to report how the further deficit of Rs 3,740 ^{could} ~~can~~ be wiped off. The Government, however, was not pleased to sanction any compassionate grant during the year to wipe off the deficit.

3. An excess of about Rs 3000 over and above the budget -- provision had to be incurred under Medical relief-Hospitals and --- Dispensaries-medicines and salaries of Medical subordinates. In the former case, bills from Medical stores etc to the extent of Rs 4100 had to be paid while there was a budget provision of Rs 2,600 as --- reduced by Government under that item. In the latter case, there was an excess of over a thousand rupees owing to the payment of leave -- allowance to a Sub Assistant Surgeon who went on leave on medical --- certificate in addition to the payment of salary to the substitute. The above items caused the increase in the deficit and the only --- course left open was the reduction of the contribution towards --- Elementary Education Fund.

4. On the 31st March last, the General account of the Taluk Board closed with a deficit of Rs 497-15-2, while the closing balance of the Elementary Education including the above contribution of Rs 5000, was Rs 5638-1-9 and that of the deposits and advances Account was Rs 2146-9-0. Thus it will be seen that I encroached upon either the ' Deposits and advances ' Account or on the Elementary --- Education Account on the 31st March and I am addressing Government in the Local Self Government Department to accord sanction for the diversion of the earmarked funds as required by para.4 of G.O.No 3372 L & II dated 27th November 1924. *initialed up*

5. Under these circumstances, I request that Government may be pleased to allow as a special case the reduction referred to above, in the contribution from general Account towards Elementary Education Account.

I have the honour to be,

Sir,

Your most obedient Servant

The Board's budget for 1924-25
as approved by Govt. after providing
for a contribution of Rs. 9,750 for
elementary education fund was
expected to close with a deficit of
Rs. 3,740 in the Revenue account.

Pending decision as regards Com-
passionate grant to meet the deficit, the
Board was asked to report how it
proposed to meet the deficit. It did
not send any reply, but as the budget
was revised with reference to the actual

expected to have

a surplus in the normal budget as
framed by it. The question of a

no Compassionate grant in 1924-25 was
sanctioned

he had to meet some unforeseen
expenditure to the extent of Rs. 3,000 -

and the only course that ~~was open to~~

resorting to a further diversion from
ear-marked funds viz, Elementary
education and Deposits and Advances accounts.

With the previous sanction of Govt.
The contribution (Rs. 9750) provided
in the Budget represents 53 p.c. of the
6 p.c. cess and as it was found
that the finances of the Board would
not permit it to provide this sum,
the Govt, while passing orders on the
normal budget, ^{reduced} ~~fixed~~ the contribution
^{to} at Rs. 6,300 or 38.4 p.c. of the 6 p.c.
cess. Even this amount can be found
by the Board only if it strictly adheres
to the allotments in the normal budget.
The reduction takes effect ^{from 1-1-25-26}

by the board, ~~opens with a balance of~~

been made therein for Capital expenditure

Law (Education) department

(D) The Board contributed in 1920-21 Rs. 15,955. In G.O.No. 1088 L.E. dated 4th July 1924, the contribution for each of the years 1923-24 and 1924-25 was, as a special case, fixed at Rs. 9,750. In G.O.No. 3370 L&E dated 27-11-24, however, the normal contribution was fixed at Rs. 6,300/- with the proviso that the contribution may be raised if the resources of the Board improve. The Taluk Board has however contributed only Rs. 5,000 for 1924-25. Even with this reduced contribution, it is stated that, its general revenues resulted in a deficit of Rs. 497-15-2, while the Elementary Education Fund accounts closed with a credit balance of Rs. 5,638-1-9, on 31-3-25. The Ely. Education Fund is an ear-marked fund & the mere fact

that there is a closing ^a balance does not warrant a reduction in the contribution of Rs. 9750/- for 1924-25. The closing balance should be utilized for the opening of new schools and not diverted to meet excess expenditure under Medical relief. The deficit in the general revenue account should be met by a compassionate grant. L.S.G. may be asked to consider the question of making such a ~~general~~ grant to the Board.

The sum of Rs 498 shown in para 4 on p 2 of is the deficit on 31.3.425. From the March final Accounts for 424-25 since submitted by the P. S. the actual deficit on 31.3.425 has risen to Rs 587. The budget, 425-26 adopting this deficit as the opening balance close with a deficit of Rs 8477. In the interim orders on the budget, the Govt have asked the Bd to follow the normal budget and to report what retrenchments are possible in the current year's budget to avoid the anticipated deficit in the current year. The Bd has also been told that no compassionate grant will be granted this year.

2. If, as insisted on by Law (Govt) Dept the Bd is compelled to pay Rs 9750 as its contribution to the S. Govt fund instead Rs 5000 actually given, the Bd will have to meet an additional deficit of Rs 4750 in the current year. As Law (Govt) refuse to agree in the Bd's request to be let off with contribution of Rs 5000 the Bd may be told that no compensating grant can be

 top file above & the P. D's
 remarks thereon. The P. D's

pleads inability to balance
 the budget & deficit of Rs 10,357
 is anticipated if the Bd is made

pay the arrear contribution of
 Rs 4750 for 1924-25. If the
 Bd adheres to its normal
 budget, the total deficit can
 be reduced to Rs 5,757, but

as the Bd is unable to
 make a contribution for the

purpose and the allotment
 for complete plants to local

boards is extremely limited. All

and the allotment available
is only Rs 35,546 against demand

therefore desirable that the

requested to agree to the
contribution for 1924-25 being
fixed at Rs 5,000 the amount
